Dear Mike

I wanted to express our sincere thanks to Jabezco and your team for successfully relocating certain operations of Fontaine Trailer during the fourth quarter, 2004. The project was a huge success and your group was able to perform the relocation within the aggressive schedule mandated, within our capital budget and with a high level of quality.

Your team worked safely and showed a high degree of craftsmanship and professionalism. Your ability to be flexible and responsive to our needs were also very much appreciated. Your team also did a commendable job in working with Fontaine associates to ensure a smooth project.

We would highly recommend Jabezco to others and look forward to other opportunities to work with your group.

Regards,
